

VERNISSAGE

18.04.2019 um 17:00 Uhr

Three wooden sculptures of nude figures are displayed on pedestals. The central figure is seated and viewed from the back, resting on a light-colored wooden block. To its left, a standing figure is on a dark, textured pedestal. To its right, another standing figure is on a light-colored wooden block. The background is a plain, light-colored wall.
